2019 year. Those Officers and Directors are listed across the bottom of this page. This otherwise somber event always turns into lots of laughs. Seriously, however, we sincerely appreciate these members volunteering their time and effort on behalf of this club. The organization cannot survive without members who are willing to contribute some time and work. And it is a fulfilling way to grow and learn new skills.

Monthly Club Meeting

Tuesday, February 5

Dinner 6:30PM, Meeting 7:30PM

J.R.'s Log House Restaurant

6601 Peachtree Industrial Boulevard at Peachtree

Corners Circle, Norcross, GA 30093

770-449-6426

We really enjoy seeing old friends and getting to know new ones at our monthly meetings. The meeting moves promptly and is full of news. We hope you will be a part of this basic Georgia Regional Group activity. The program this month is entitled "the Times & Rhymes of Burma Shave," hosted by David Posey.

Along with the swearing in ceremony, Jerry McIntosh presented the President's Award to John Caldwell for his work with RG 24 and as a member of the National Board of Directors. Lamar Hart presented two Emeritus Awards to Bob Padovano and Jerry Reichel for their series of Tech Sessions. More laughs. Their Tech Sessions have been highly popular over the last several years.

We honestly thank these award winners for all their extra contributions throughout several years of service. All these volunteers deserve our thanks and admiration for the many ways they have helped make this a better club.
